

**St. John Paul II Catholic High School
2017 - 2018 Student Activities Official Program
Advertising Opportunity
(Deadline August 25th)**

Hello! Would you like the opportunity to have your business featured in the St. John Paul II Student Activities Program this year?

It is a great way to reach customers and show your support of a local high school! Programs are sold at home games and provided to school supporters.

Your ad will reach many local customers and we highly encourage our families to support our advertisers with their business.

- Full page \$250
- Half page \$150
- Quarter page \$100
- Business card \$75

Ideas for your ad:

- You can use your traditional advertisement.
- Our Program Committee will be glad to help you with your ad design (at no additional charge). We will just need the words and images/logos to use.
- We can arrange to have a picture of our students taken at your place of business.

After printing expenses, all proceeds will go directly to support the student activities at the school. (The student selling the ad will have half of the proceeds go directly to his/her chosen sport or activity.)

Please consider advertising in the JP2 Student Activities Program! For more information visit www.johnpaul2chs.org under Student Activities.

If you have any questions or need help with ad design ideas, please email jp2schoolprogram@gmail.com.

Thank you for your consideration in supporting our school!
