

# Supporting JP2 through the 2017- 2018 School Activities Official Program

**Each year JP2 prepares an Official Program, sold at our events, to showcase all student activities. All proceeds (after printing/expenses) will go directly to support student activities! But we need your help!**

## **WHY IS IT IMPORTANT?**

It supports JP2! Funding from this Program is the largest contributor to developing programs and activities. All families are encouraged to sell \$200 worth of ads to support our school.

## **WHAT DO I DO?**

- Call, email, or visit local businesses (especially ones you know!) and ask them to place an ad in the Program. Let them know it is inexpensive and that we encourage families to shop at those businesses.
- Most people are happy to support our school - you just have to ask!
- Family members can also purchase an ad featuring their student and/or business.
- Designing an ad is easy! Businesses can use their own designed ads or the Program Committee is happy to help with the design! Encourage them to use students in their ad pictures when possible.

## **WHEN ARE ADS DUE?**

- Pre-designed ads: Friday, August 25th
- Program Committee designed ads: Wednesday, August 25th

*Please  
start selling  
early!*
