

March 1, 2018

Dear JPll Supporter,

We are ready to finish building our home for John Paul II. For the last nine years, students, teachers, parents, coaches, friends, and donors have established a secure foundation for our school, built on our four core virtues of humility, faith, courage, and love. Now, it is time to build the full home for John Paul II, into the second decade of our school's life. Our school and our kids are worthy of this effort and this groundbreaking campaign, ***On the Way - Ándale! Building a Home for John Paul II.***

Our campaign is part of the larger ***On the Way - Ándale! Archdiocesan Campaign*** and as such, our school has been gifted from that campaign with a challenge grant, promising a matching dollar for every dollar we raise up to \$1.6 million! This is an incredible opportunity for your pledge to have twice the impact and for us to come together as a school family within our archdiocese to make a real difference at John Paul II Catholic High School -- for our children, grandchildren, and generations to come! 100% of your donation to ***On the Way - Ándale! Building a Home for John Paul II*** will come directly to the school.

Archbishop Gustavo has given a theme for our capital campaign that expresses well the call of our Lord to be **On the Way** in missionary discipleship and to serve our brothers and sisters with joyful hearts. This urgent appeal to us — **Ándale!** — requires a generous response from each of us individually, as well as from all of us who make up our Archdiocese of San Antonio. The ***On the Way - Ándale!*** Archdiocesan Campaign, our first one in many decades, has several important goals and projects. We are blessed John Paul II Catholic High School is one such beneficiary of this capital campaign.

For our campaign to be successful and in order to respond faithfully to our Lord, we need a generous gift — even a sacrificial gift — from everyone. For this reason, I am asking you to consider a monthly gift over a three year period.

Please review the enclosed case brochure and prayerfully consider our request. Inside you will find a pledge card to submit in the enclosed return envelope. **Thank you** for your ongoing support of **John Paul II Catholic High School** and our Archdiocese of San Antonio. With your generous gift, and the gifts of many of our fellow Catholics, I am confident we can build a home for **John Paul II Catholic High School** and bring the good news of Jesus Christ to many more generations of young people.

I am ready to build to honor our alumni and current and future Guardians; I hope and pray you are, too.

Sincerely yours in Christ Jesus, our Lord,

Mr. Andrew Iliff  
Principal
